Los príncipes rusos reunieron 20 000 человек и 15 000 человек. El Imperio Mongol no tenía ganas de enfrentarse ni Rusia ni a los cumanos. Por eso enviaron a varios embajadores

para trasladarles las buenas intenciones de los mongoles. Puesto que tanto rusos como cumanos sí tenían ganas de guerra, asesinaron a los embajadores.

Con esta acción querían provocar la sed de venganza de los mongoles, como así ocurrió.
