more than 180 scientific works, including individual monographs “The Mentality of Modern Belarusians” (2006); “Belarusian mentality: origins, modernity, prospects” (2009); collective monograph “Student youth: mental characteristics, identity, lifestyle” (2015). Repeatedly recognized as the best author of the Belarusian Thought magazine (2003, 2005), he is a member of the board of the Belarusian Sociological Association, as well as the chairman of the Gomel regional branch of the republican state-public association “Belarusian Society “Knowledge””. Scientific interests: Slavic mentality and integration processes; interaction of political, economic and sociocultural components in social progress.

In 1978, without interruption from work, he graduated from the philosophy department of the Belarusian State University with the qualification “Philosopher.” Philosophy teacher,” in 1990 – postgraduate studies. After graduating from graduate school, V.V. Kiriyenko was the first among Belarusian scientists to defend his dissertation for the academic degree of Candidate of Sociological Sciences.

V.V. Kiriyenko’s life with the Republic of Belarus and the city of Gomel has been connected since 1969. At the Gomselmash enterprise he worked his way up from an apprentice toolmaker to deputy secretary of the party committee of the production association. Since 1982, Viktor Vasilievich has been working at the Gomel State Technical University named after P. O. Sukhoi. (senior teacher, associate professor, vice-rector for academic and educational work).

The sociological laboratory he created at the Gomel State Technical University named after P. O. Sukhoi conducted more than 50 socio-political studies, including six on state programs. Since 1996, the main object of research by V.V. Kiriyenko has been the mentality of the Slavs. The result of scientific research in this area was the successful defense of a doctoral dissertation on the topic: “The mentality of modern Belarusians (sociological analysis)” at the Institute of Sociology of the National Academy of Sciences of Belarus.

Since 1999, on the initiative of Professor V.V. Kiriyenko and under his direct supervision, an international scientific and practical conference “The mentality of the Slavs and integration processes: history, modernity, prospects” has been held at the Gomel State Technical University named after P. O. Sukhoi. The event became a discussion platform for a comprehensive discussion of integration problems of the Slavic world. For his contribution to the study of Slavic culture, V.V. Kiriyenko was awarded the medal “100 years of the Slavic movement on the lands of Belarus 1909–2009.” and the anniversary medal of Frantisek Palacki (2008).
