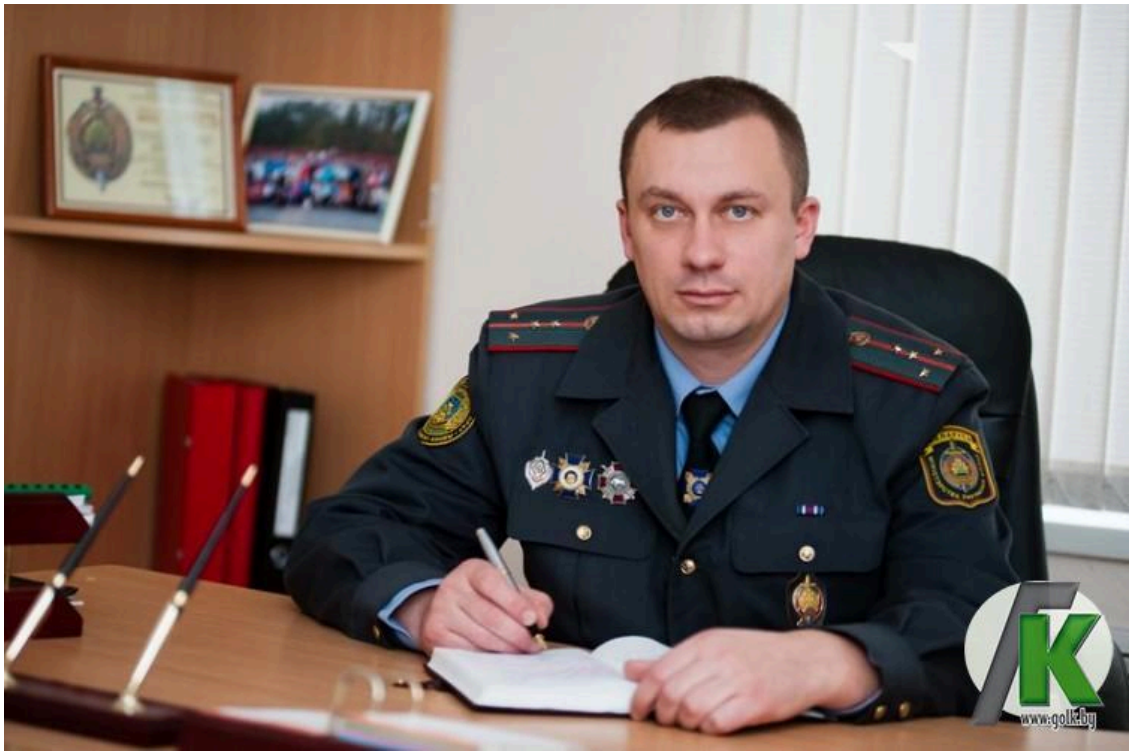
On October 29, 2017, the security service celebrates the 65th anniversary of its formation

From **GK** - 10/28/2017



In this regard, correspondents of the regional newspaper “GK” met with the head of the Kostyukovichi branch of the Security Department of the Ministry of Internal Affairs of the Republic of Belarus, Vladimir Filimonenko, who introduced us to the history of the formation of the service, the equipment of the unit, and the scope of security services provided to the population by the department.

Read more in the regional newspaper "GK".
