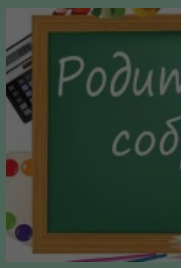
The Role of Family and School in Ensuring Childre

Home > News > The Role of Family and School in Ensuring Children's Safety

21.09.2022 136



Each of us wants to see our children healthy and happy. Therefore, our common task is to do everything to ensure that children are alive and healthy. The most important task of the family and school is to teach the child to be responsible for himself and the people around him, to be able to foresee and recognize dangers, to follow simple rules of personal safety, and to develop models of behavior in extreme situations.

Problems of children's safety on the road, in the yard, in the entrance of the ho discussed at the school-wide parent meeting **"The role of the family and school in of children".**

Deputy Director for Educational and Training Work, Maria Vladimirovna Lipove main responsibility of adults towards children is to provide a safe environment in which develop without a threat to their life and health.

Issues of preventing offenses and crimes among teenagers, thefts of bicycles teenagers were discussed together with parents by the judge of the Borisovsky Mikhailovna Grosheva . She once again reminded about the responsibility of minors for and crimes, about the responsibility of parents for the actions of their children. In conversation with parents, the issues of drinking alcoholic beverages and their impact were touched upon.

Issues of preventing sexual violence against minors were covered by the teache State Educational Institution "Social and Pedagogical Center of Borisov District" Tat Andrukhovich.

The meeting took place in an atmosphere of constructive dialogue between s parents.
