Firefox detected a potential security threat and did not continue to **www.verkhnedvinsk.vitebsk-region.gov.by** because this website requires a secure connection.

What can you do about it?

www.verkhnedvinsk.vitebsk-region.gov.by has a security policy called HTTP Strict Transport Security (HSTS), which means that Firefox can only connect to it securely. You can’t add an exception to visit this site.

The issue is most likely with the website, and there is nothing you can do to resolve it. You can notify the website’s administrator about the problem.

You can continue with your default DNS resolver. However, a third-party might be able to see what websites you visit.
