The connection has timed out

The server at vak.gov.by is taking too long to respond.

What can you do about it?

- The site could be temporarily unavailable or too busy. Try again in a few moments.
- If you are unable to load any pages, check your computer’s network connection.
- If your computer or network is protected by a firewall or proxy, make sure that Firefox is permitted to access the web.

You can continue with your default DNS resolver. However, a third-party might be able to see what websites you visit.
