The decade of career guidance for law school students at our school was quite eventful. At the end of February, the guys got acquainted with the peculiarities of the work of forensic experts and had the opportunity to participate in one of the investigative actions - obtaining samples for comparative research.

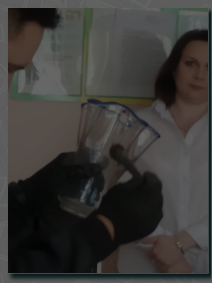

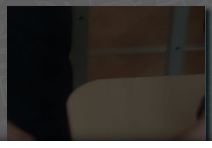

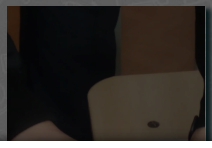

Then the guys attended an Open Day held by the Borisov district department of the Investigative Committee of the Republic of Belarus. Our students got acquainted with the structure of the Investigative Committee of the Republic of Belarus, the rules of admission to the educational institution “Academy of the Ministry of Internal Affairs of the Republic of Belarus” for training at the investigative and ex in the courtyard was a mobile forensic laboratory, which is currently in the service of investigators from the Minsk reg own eyes all the technical means, devices for recording traces of a crime, seizing them and packaging them.

And on March 3, our guys became guests at a gala concert dedicated to the Day of the Belarusian Police in the S concert was combined with honoring veterans and current employees of the Borisov Department of Internal Affairs. graduate of our legal class of 2013, and now an employee, senior police lieutenant Mikhail Sulimov. At the end of the Shutko, retired police lieutenant colonel, and Nikolai Anatolyevich Demidko, retired police major, veteran of the Min pictures with the guys.
